Telephone: (405) 329-5613

RIGHT EYE _____ LEFT EYE _____

Make sure to fill any cataract surgery prescriptions at your local pharmacy one week before surgery.

Three (3) days before surgery, start putting **BESIVANCE** in your operative eye two (2) times per day:

___ Upon Waking

___ Bedtime

START **BESIVANCE** DROPS ON: _____

And **PROLENSA** in your operative eye once a day:

___ Upon Waking

START **PROLENSA** DROPS ON: _____

- Drops the morning of your surgery are not necessary
- Wait at least 5 minutes between eye drops
- Do not touch the tip of the bottle with your finger or to your face or eye.
- Do not eat or drink after midnight of the evening before your surgery.
- Only take medications the morning of your surgery as discussed with your doctor. Bring all your medications with you to surgery.
